

**Cuvaison has earned Winery of the Year honors from *Wine & Spirits* magazine for 2012.**

Each year, our panels and critics blind taste more than 10,000 wines, to present the most compelling wines to our readers. We recognize brands with the most consistent performance and the highest scores in our tastings as our Top 100 Wineries of the Year.

**Cuvaison's range of exceptional wines makes it a great ambassador for the Napa Valley.**
